In the DCP hand book paragraph 67 there is a
policy provision that states if CRP-1 expires or is voluntarily
terminated on or after May 13, 2002 & before Oct 1, 2007
producers may enroll under CRP- acreage & applicable yields
previously enrolled under CRP-1 in DCP

Please extend that date beyond Oct 1, 2007.!
so those coming out in 2008-2010 will have the same opportunity.
